## Additional Backup Information

This contract will provide electronic security access, intrusion/fire alarm monitoring and maintenance, closed-circuit television (CCTV) equipment and maintenance, system installation, and upgrades for the Health and Human Services Department, Parks and Recreation Department, and Municipal Court. Facilities serviced under this contract include, but not limited to buildings at the Betty Dunkerley Campus, neighborhood centers and clinics, museums, recreation centers, and the downtown municipal court.

The systems will monitor the ingress into the buildings, burglar/intrusion, video surveillance, and monitoring of the fire alarm systems.

This Contract will allow for system installation at new locations and the closure of current facilities as required to meet City business needs.

Stanley Convergent Security Solutions, Inc. is contracted through Buyboard to supply these types of services to other public entities statewide as a result of a competitive bidding process. Utilizing Buyboard contracts provides for volume discount pricing for these services.
